Dear Madam/Sir,

on behalf of the French "Comité National Français de la Chimie", I should like to introduce Professor Nicole J MOREAU as a candidate for the coming election to the Bureau of IUPAC? Please find enclosed a curriculum and photograph. She is an Organic Chemist and is well aware of the Administration problems due to her position at the CNRS. I hope that this candidate will be favourably considered.

With best thanks and regards

Yours sincerely

Marc Julia  
President
